

A Yum Cha gathering

was held on 6 January 2018 (Saturday) with 20 alumnae joining the event at the Greenwood Chinese Restaurant (翠湖海鮮酒家) in North Sydney. Old and new acquaintances greeted friendly and chatted happily. We treasured our friendship, enjoyed the delicious food as well as the precious time of meeting up.

有朋自遠方來!

Opera House

師友同遊、賞心樂事

師生聚舊、樂也融融

「有朋自遠方來，不亦樂乎！」以這句子來形容與尊敬的林綺麗老師（下稱林老師）在澳洲悉尼的相聚，是最貼切不過的！

林老師在今年4月重遊澳洲兩星期，踏足多處悉尼市區及鄉郊地方，如漫步港灣內的皇家植物園（The Royal Botanical Garden）享受和煦的陽光、從不同角度欣賞悉尼歌劇院（Sydney Opera House）的建築風格、到藍山國家公園的三姐妹峰（Three Sisters）山谷飽覽美麗風光……等等。72年畢業的兩位同學更與林老師一起遊覽澳洲中部烏魯魯（Uluru）艾爾斯大岩石

（Ayers Rock），欣賞岩石的美態及不同的色彩，感受大自然的偉大、人類何等渺小，並認識澳洲原著民的一些歷史及生活點滴。

此外，13位英華校友還相約林老師於車士活區（Chatswood）的唐宴海鮮酒樓飲茶並聊聊近況，席間氣氛和諧，樂也融融！

對於曾被林老師教導的同學而言，是次師生重聚實在難能可貴，既歡欣又喜樂啊！

China Town

Seven Sydney Ying Wa girls had lunch gathering at Tingha Palace at Parramatta Leagues Club on Monday 24th September 2018, to celebrate Spring 2018 and Mid-Autumn Festival in Northern Hemisphere. We enjoyed the lunch there because we had scrumptious, authentic Cantonese dim sum, fried egg noodles with shredded lean pork as a main course, traditional egg tart and bean curd custard (豆腐花) as dessert of course.

We left the restaurant at 2:30 PM, walked to Wistaria House Gardens at Parramatta Park. It was only a 3-minute walk from the Club. We

saw the vibrant colours even from a short distance - purple, red, hot pink, orange and snow-white, etc.

As we walked through the garden gate, we could smell the sweet scent like we went into the cosmetic department at David Jones. It was because all the spring flowers are in blossom, like wistaria, peach blossom, cherry blossom, clivia and other beautiful spring flowers. This year, our leader chose the right time to visit the garden. You can see the attached photos taken by our photographer, Ellen Yuen ('74). You would wish you were there. So make sure you take leave from work to join us next spring

(2019). Make sure you take your mobile phone, ready to take the picture of the blossoms, especially the purple and white wistaria flowers hanging down the canopy, like big bunches of grapes. They are so spectacular.

We had a short lesson from Ellen, our botanist. She showed us how to tell whether they were cherry blossom or peach blossom. Don't forget to ask Ellen at next Spring Flower Show.
