YWGSAA Fund-raising Movie Gala - A Night To Remember

Dear Alumnae, Parents and Friends,

We are pleased to announce that our newly established YWGSAA Charity Trust Fund will hold its first fundraising event – a Movie Gala – at the Hong Kong Cultural Centre on Monday evening, December 11, 2006.

We have been extremely fortunate to secure the screening rights of *'Traces of a Dragon – Jackie Chan and his Lost Family'* - a docu-drama based on kungfu legend Jackie Chan's family and directed by internationally renowned film director Mabel Cheung Yuen Ting, a graduate of Ying Wa, Class of '68.

We are most heartened by the unconditional support of a group of alumnae, who have pledged to cover all expenses of this event, thereby ensuring every dollar of your donation will go directly to the Charity Trust Fund.

For over a century, Ying Wa has provided schooling for girls from all sectors of Hong Kong society. Generations of girls have benefited from the Christian emphasis of this education on 'whole-person' development, moral values and service to others.

We are proud of our tradition and heritage. Our task now is to forge ahead and ensure that Ying Wa is ready to take on the challenges and demands of education in the 21st century. With the support of the Charity Trust Fund, Ying Wa will have extra resources to improve school facilities and organize various supplementary training activities. As a result, its students will have more learning opportunities to strengthen their creativity and foster communication, language, art and sport skills. Your generosity will indeed make a difference to present and future Ying Wa girls, especially those who are disadvantaged.

'Traces of a Dragon', a story of desertion and reconciliation, promises to be both entertaining and inspirational. Bring your friends and family along and share Jackie Chan's unusual story.

Act now and make a donation. Simply fill in the form enclosed and return it to Ying Wa.

Looking forward to seeing you at the Gala.

Yours sincerely,

Dr. Huen, Kwai Fun
