# School Emblem

# School Song

一片朝煙罩 風景殊清秀 高聳半山中 英華學校  
惟願普天下 皆蒙主拯救 務宜惜寸陰 在茲學校  
英華 英華 既輝耀於山丘 爾諸生其作光而無休  
英華 英華 既同學而力修 爲爾主使功業之永留  
諸生群受教 得恩何豐厚 身遠心莫離 英華學校  
惟願我英華 勿徒崇外貌 願爲爾作工 由茲學校  
英華 英華 既輝耀於山丘 爾諸生其作光而無休  
英華 英華 既同學而力修 爲爾主使功業之永留

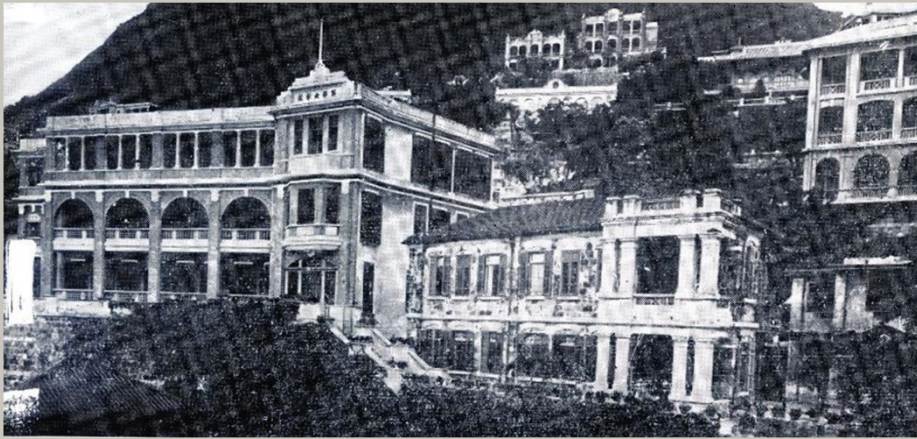

# School Hymn

建我學校在基督身 因將素需向主懇祈  
即此惠語即此愛忱 即此善行即此慈意  
此即我禱惟聖靈靠 時將利福賜我學校  
吾人同業在主目中 吾人同居在主愛里  
疑惑階級求主疏通 天上思想求主開啟  
主前我禱惟聖靈靠 時能顯現於我學校

# Foreword

- This album is dedicated to all the friends who had been in the same classroom with us during our years in Ying Wa. We all share some roots because we came from the same nursery of the London Missionaries who established our school some 120 years ago.
- Hopefully this album will bring back some shared memories and open opportunities for each one of us to reconnect with individuals or groups of long lost friends.
- We look forward to having a chance to meet in person but in the mean time, meeting virtually, on Zoom, WhatsApp, by phone or even snail mail will suffice.

# Acknowledgements

This beautiful album is the brain child of Susan Jong. Since we could not have an in person reunion to celebrate having spent our school days with each other some sixty to seventy years ago, creating an album to memorialize those years was the next best thing to do.

The idea became a reality when everyone gets to work. Thank you, Stella, for getting the old and new school pictures. Thank you, Wai Ling, for livening up the School Song and School Hymn page with music. Thank you, Mui Ying and Siu Hung for helping to identify teachers and classmates in the graduation class pictures. We thank Mo Chi for making every one of us look so pretty by cropping the pictures we sent to her. Thank you, Barbara, for suggesting adding the old pictures to make this more colorful. Most of all, Barbara, for meticulously reading through every line of the final edition to make sure it is perfect.

Most of all, this would not have become a full size album if all of you did not participate in contributing your information to your page. During the process, I was lucky to have one of my dedicated former staff, Monica Tang, to help in every step of the way. She patiently revised this for us when we made any changes.

Enjoy the book. Most importantly, start reconnecting with your long lost friends. We have a page with list of classmates whom we have lost contact with. If you have any update information, please send it to me and I will update it and share with everyone.

It was my honor to coordinate this project for all of us. God Bless!

留不住的是歲月，忘不了的是朋友  
謝不盡的是關照，丟不掉的是情義  
珍惜每一位和我們一起走過的同學  
感謝以往歲月裡曾經給予的支持和幫助  
願我們曾認識的同學都平安健康
