

Visit to the TVB City at Tseung Kwan O on 27 Jan 2007

The Mentorship Programme was inaugurated on 26 March 2004. This year over 80 students from Form 4 and 6 have registered as mentees and they met for the first time on 11 Nov 2006.

The first outdoors activity this year was a Visit to the TVB City. Totally there were around ninety participants, including mentors and mentees. We got there by coach and were received by the friendly TVB staff.

After a brief intro from Janet, our guide, we watched a rehearsal of a Chinese New Year programme starred by Renee Dai (戴夢夢) accompanied by many cute kindergarten children in lovely costumes.

Divided into two groups, we then visited two sites for outdoors location shooting of dramas, the Streets of Ancient Costume and Early Republic of China (古裝街及民初街). Most scenes looked very familiar to us who were the frequent Jade watchers. We had a great time browsing around at various corners of the sites and were busy taking digital photos of the props and sets.

After the visit, more mentors joined in and we had a dim-sum lunch at the King of King Restaurant (皇上皇酒家) in the Central District.
